

# E-communication of OoC copy of Bill of Entry and eGatepass with Importer/Custom Broker

## Revised process

- Out of Charge granted
- Final eOoC copy of BE & eGatepass emailed to Importer/CB in PDF
- Importer/CB takes print at their convenience
- eGatepass presented to Gate Officer
- Gate officer uses ICETRAK APP to scan QR code
- Gate out of validated Consignment

## Features

- After Out of charge, E communication of pdf documents to Registered Importer/CB
- Digitally signed and encrypted QR code on Final OoC copy of BE and eGatepass
- Tamperproof documentation- validation through mobile app ICETRAK
- Key details - BE no./date, duty, package details, document version visible on QR scan
- 2 QR codes on eGatepass- For consignment as well as for each container/package

## Facilitation

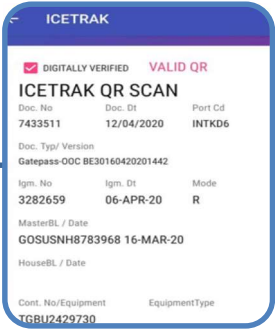

- Reduction of interface- E communication- paper printout from service center not required
- Reduction in Compliance time and cost- automated paperless process
- Enhanced security features- Authenticity of the document verifiable by scanning QR code.
- ICETRAK APP downloadable from Google Play Store
